Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Ms. Bates opened the interview with a brief overview of the past arguments and then an overview of claim 17. It was offered that the language of claim 17 could be strengthened by modifying the phrase "the reader sharing an experience with the pre-reader to "the reader sharing the planned shared experience with the pre-reader". The Examiner agreed that this would overcome the current rejection. The Examiner suggested making similar modifications to the other independent claims to strengthen these claims as well. Ms. Bates will consider these modifications and will propose an amendment to her client.
